BENEFITS COMPANIES RECEIVE

DMJ Insurance Services is a one-stop call center for all employee and employer insurance needs including: COBRA issues, Affordable Care Act, flexible spending accounts, claim issues, referrals to specialists, ID cards, Rx problems, and other issues requiring administrative support. As your Insurance and Employee Benefits Coach, we have the answers you need (or can easily get them) so that you don't have to spend valuable time on hold.

Don is constantly in-tune with current state and federal legislation, educating his clients with live trainings on upcoming healthcare reforms. By guiding his clients on their responsibilities, such as medical leaves, he serves as an extension to their HR department saving them from hefty fines and possible employee litigation by ensuring they are compliant. Marrying his skills with his clients' needs and requirements is a timely and valuable capability that many insurance brokers do not offer.

Don is knowledgeable in many areas of national employee benefits, including:

- Interpreting complex legislation & regulations
- Training HR people how to implement plans
- Providing assistance to get employee benefits paid at a higher level
- Working with insurance companies to get previously denied claims paid
- Negotiating extremely favorable group rates for over 100 employees
- Fulfilling customer service needs on a daily basis for client companies
