## CERTIFIED PUBLIC ACCOUNTANT

*“Dependable Expertise, Exceptional Results”*

Michael B. Noll, CPA

“Mike Noll is exceptionally helpful to the congregation as our CPA and bookkeeper and has been working with us in these capacities for nearly 15 years. He is our sounding board on all financial matters for our nonprofit, tax-exempt organization. We totally trust his expertise, judgment and ethics and highly recommend him to any organization or corporation that requires top flight competence.”

— Andy Broda  
Retired Chairman  
Emmaus Lutheran Church & School  
Alhambra, California

“Mike has been very knowledgeable in addressing all of the requirements and laws as they relate to our financial condition. He is thorough and has been very helpful in answering questions my wife and I have had regarding decisions we’ve needed to make about our taxes. Overall, I totally trust Mike with our finances.”

— Pete DiGiuseppe  
Temple City, California

As a CPA with a long-term base of clients, Mike believes that clean financials are essential to any successful operation. Mike has ably handled more than his share of messes created by improper accounting practices.

When it comes to difficult or complex financial situations, Mike’s analytical skills and thorough knowledge of tax and accounting issues allow him to look at disparate issues, then hone in on effective solutions saving his clients time and money. Always responsive, calm, and steady in a crisis, Mike helps guide businesses toward greater profitability, bringing business owners added peace of mind by:

- § **Monitoring tax compliance**
- § **Creating tax savings**
- § **Generating more profits through operational efficiencies**
- § **Providing clients with a practical understanding of how business works**

MICHAEL B. NOLL, CPA is the “Accountant’s Accountant,” providing clients with a valuable skillset of business expertise that comes from his own hands-on experience:

- § **As a “Big 8” Auditor with Arthur Young**
- § **General Manager of a multimillion dollar retail and service business**
- § **Over 10 years as the CPA for a leading entertainer**
- § **Owner of a financial services company for more than 20 years**

“Mike Noll, CPA has always been extremely dependable, trustworthy, and has always given us the best of service for our tax needs. We were Mike’s first tax clients and due to the quality of his service, we have continued to work with him for over 30 years.”

— Jane and Jerry Burtis  
Pomona, California

“In a matter of a few short weeks, Mike was able to address and repair several years worth of lax bookkeeping, and in the process he restored accuracy, integrity and credibility to our nonprofit’s accounting procedures and financial reporting. Mike took the extra steps to attend our board meetings to address concerns and answer any questions. We are now back on a solid footing due to Mike Noll’s extraordinary effort and expertise.”

— Tim Winter, Board Treasurer  
Pasadena, California

“Mike and his staff are very professional and competent. If it weren’t for them, we wouldn’t have gotten the business loan for my dental practice. Compared with my previous accountant, it’s like night and day in the overall approach to our accounting. Mike’s a terrific person of the highest integrity and moral standards.”

— Roger W. Anderson, DDS  
San Marino, California

“Mike has brought a lot of efficiency and professionalism to the accounting side of my business. He’s helped me analyze year end results and done a great job with it. Above all, he’s somebody that I personally trust.”

— Don Ashe
