WHAT SETS US APART

Two things set Comprehensive Management Solutions, Inc. apart. First, we have the experience it takes (more than 20 years) to know how to run a successful law firm. Second, in addition to the amount of our experience, we have a broad depth of expertise. We've worked with small “start-ups” as well as national firms, and we've served as C.O.O. for them. We know what it takes to operate a successful and profitable law firm.

Whether you have a specific administrative need or on-going consulting to keep your operations running smoothly, Comprehensive Management Solutions, Inc. can be your partner in creating a more successful law firm.

“I was enormously impressed with Marcia's breadth of knowledge and expertise on all areas of firm management, including budgeting, personnel management, strategic planning, marketing, and practice group operations.”
